You will be receiving an important set of materials from us by mail related to the upcoming Special Meeting of Stockholders. We're asking that you review the materials and vote your shares.

Trevena was recently added to the Russell 2000 index of leading small-cap companies. We now have four times the number of shares of a median company in this index, and we're asking you to vote in favor of two proposals that will help us align our share count and stock price more closely to our new peers, further advance OLINVYK and the pipeline and continue to position the company for long-term growth.

If you have any questions, please call us at 833-501-4709. Thank you in advance for your vote and on behalf of our entire team at Trevena, I'd like to thank you for being a valued stockholder.
