This proxy statement is furnished in connection with the solicitation of proxies by our board of directors (the “Board of Directors”) for use at the Special Meeting of Stockholders (“Special Meeting”) to be held virtually via the Internet at <http://www.virtualshareholdermeeting.com/TRVN2022SM> at 8:30 a.m. Eastern time on Thursday, September 8, 2022, and any postponements or adjournments thereof.

We will hold the Special Meeting in a virtual format only, via the Internet, with no physical in-person meeting. Our stockholders will be able to attend, vote, and submit questions at the Special Meeting by visiting <http://www.virtualshareholdermeeting.com/TRVN2022SM> Further information about how to attend the Special Meeting online, vote your shares online during the meeting and submit questions during the meeting is included in this proxy statement.

As used in this proxy statement, the terms “Trevena,” “the Company,” “we,” “us,” and “our” mean Trevena, Inc. unless the context indicates otherwise.

INFORMATION ABOUT THE SPECIAL MEETING

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS

Why did I receive proxy materials? What is included in the proxy materials?

Our Board of Directors is soliciting your proxy to vote at the Special Meeting, and at any adjournment or postponement thereof, for the purpose of considering and acting upon the matters set forth herein. You received proxy materials because you owned shares of Trevena common stock, par value \$0.001 per share ("common stock"), Series A Convertible Preferred Stock, par value \$0.001 per share ("Series A Convertible Preferred Stock") or Series B Convertible Preferred Stock, par value \$0.001 per share ("Series B Convertible Preferred Stock" and together with the Series A Convertible Preferred Stock, the "Preferred Stock") at the close of business on July 29, 2022, the record date, and that entitles you to vote at the Special Meeting.

Proxy materials include the notice of Special Meeting and the proxy statement and, if you received paper copies, a proxy card or voting instruction form. The proxy statement describes the matters on which the Board of Directors would like you to vote, and provides information about Trevena that we must disclose under Securities and Exchange Commission ("SEC") regulations when we solicit your proxy.

Your proxy will authorize specified persons, each of whom also is referred to as a proxy, to vote on your behalf at the Special Meeting. By use of a proxy, you can vote whether or not you attend the Special Meeting via the internet. The written document by which you authorize a proxy to vote on your behalf is referred to as a proxy card.

We intend to mail these proxy materials on or about August 11, 2022 to all stockholders of record entitled to vote at the Special Meeting.

How can I get electronic access to the proxy materials?

The proxy materials are available for viewing at www.proxyvote.com. On this website, you may:

- vote your shares after you have viewed the proxy materials; and
- select a future delivery preference of paper or electronic copies of the proxy materials.

You may choose to receive proxy materials electronically in the future. If you choose to do so, you will receive an email with instructions containing an electronic link to the proxy materials for future stockholder meetings. You also will receive an electronic link to the proxy voting site.

Rules adopted by the SEC allow companies to send stockholders a notice of Internet availability of proxy materials only, rather than mail them full sets of proxy materials. For the Special Meeting, we chose to mail full packages of proxy materials to stockholders. However, in the future we may take advantage of this alternative "notice only" distribution option. If in the future we choose to send only such notices, they would contain instructions on how stockholders can access our notice of special meeting and proxy statement via the Internet. It also would contain instructions on how stockholders could request to receive their materials electronically or in printed form on a one-time or ongoing basis.

If you hold your shares through a bank, broker or other custodian, you also may have the opportunity to receive the proxy materials electronically. Please check the information contained in the documents provided to you by your bank, broker or other custodian.

We encourage you to take advantage of the availability of the proxy materials electronically to help reduce the environmental impact of the Special Meeting.

QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING AND VOTING

What am I voting on at the Special Meeting?

The proposals that will be presented at the Special Meeting and the voting recommendations of our Board of Directors are set forth in the table below:

Proposal	Description	Board's Vote Recommendation	Page
1	An amendment to our Amended and Restated Certificate of Incorporation to effect a reverse stock split of our outstanding shares of common stock by a ratio of any whole number between 1-for-2 and 1-for-25, at any time prior to December 19, 2022, with the exact ratio to be set within that range at the discretion of our Board of Directors, without further approval or authorization of our stockholders.	Vote FOR	8
2	The adjournment of the Special Meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are insufficient votes to adopt Proposal 1.	Vote FOR	20

Could other matters be decided at the Special Meeting?

We are not aware of any other matters that will be presented and voted upon at the Special Meeting. The proxies will have discretionary authority, to the extent permitted by law, on how to vote on other matters that may come before the Special Meeting.

How many votes can be cast by all stockholders?

The record date to determine the stockholders entitled to notice of and to vote at the Special Meeting is the close of business on July 29, 2022. On the record date, (i) 165,681,085 shares of Common Stock were issued and outstanding, (ii) 1,800 shares of Series A Convertible Preferred Stock, convertible into 7,200,000 shares of common stock, were issued and outstanding and entitled to vote and (iii) 200 shares of Series B Convertible Preferred Stock, convertible into 800,000 shares of common stock, were issued and outstanding and entitled to vote.

Each holder of record of our common stock is entitled to one vote per share of common stock on each matter to be acted upon at the Special Meeting.

Each holder of record of our Series A Convertible Preferred Stock is entitled to one vote per share on an as-converted-to-common stock basis, or an aggregate of 6,845,400 votes, calculated using a conversion price of \$0.263 per share, which is the Minimum Price as defined in Nasdaq Listing Rule 5635(d) immediately preceding the execution and delivery of the Securities Purchase Agreement, dated July 28, 2022, pursuant to which the Company issued the Series A Convertible Preferred Stock. The holders of record of our Series A Convertible Preferred Stock are entitled to vote only on Proposal 1, the Reverse Stock Split Proposal or Proposal 2, the Adjournment Proposal.

Each holder of record of our Series B Convertible Preferred Stock is entitled to 25,000,000 votes per share of Series B Convertible Preferred Stock, or an aggregate of 5,000,000,000 votes; provided, that, such votes must be counted by the Company in the same proportion as the aggregate shares of common stock and Series A Convertible Preferred Stock voted on the Reverse Stock Split Proposal or any Adjournment Proposal. As an example, if the holders of 50.5% of the outstanding common stock and Series A Convertible Preferred Stock voted at the meeting are voted in favor of the Reverse Stock Split Proposal, the Company can count 50.5% of the votes cast by the holders of the Series B Convertible Preferred Stock as votes in favor of the Reverse Stock Split Proposal. The holders of record of our Series B Convertible Preferred Stock are entitled to vote only on the Reverse Stock Split Proposal or on any Adjournment Proposal.

INFORMATION ABOUT THE SPECIAL MEETING (CONTINUED)

Holders of common stock and Preferred Stock will vote on the Reverse Stock Split Proposal and any Adjournment Proposal as a single class. Any shares of common stock or Series A Convertible Preferred Stock that are not voted on Proposal 1 or are voted against Proposal 1 will be cast as votes against Proposal 1. This means that Proposal 1 may be approved, even without the affirmative vote of a majority of the common stock outstanding on the record date.

How many votes must be present to hold the Special Meeting?

33.3% of the issued and outstanding shares of capital stock entitled to vote, or 55,171,801 shares, present or by proxy, are needed for a quorum to hold the Special Meeting. Abstentions and broker non-votes (discussed below) are included in determining whether a quorum is present. We urge you to vote by proxy even if you plan to attend the Special Meeting. This will help us know that enough votes will be present to hold the Special Meeting.

How many votes are needed to approve each proposal? How do abstentions or broker non-votes affect the voting results?

Because the voting standard for the Reverse Stock Split Proposal is a majority of the voting power of the outstanding shares of common stock and Preferred Stock entitled to vote on the proposal, counted as a single class, abstentions and broker non-votes will have the effect of a vote "Against" the proposal. Since the Series B Convertible Preferred Stock has 25,000,000 votes per share on Proposal 1 or Proposal 2 but such votes must be counted by the Company in the same proportion as the aggregate shares of common stock and Series A Convertible Preferred Stock voted on the proposal at the Special Meeting, the failure of a share of common stock to be voted on Proposal 1 will effectively have no impact on the outcome of the vote. However, shares of common stock voted against the proposal will have the effect of causing the proportion of Series B Convertible Preferred Stock voted against the proposal to increase accordingly and vice versa.

When a beneficial owner does not provide voting instructions to the institution that holds the shares in street name, brokers or nominees may not vote those shares in matters deemed non-routine. If your broker considers Proposal 1 or Proposal 2 to be a "routine" matter, your broker or nominee may vote your shares in its discretion on such proposal even in the absence of your instruction. A broker non-vote occurs when a broker or nominee holding shares entitled to vote for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. We do not expect there to be any broker non-votes with respect to Proposal 1 or Proposal 2. If you are a beneficial owner and want to ensure that all of the shares you beneficially own are voted for or against the Reverse Stock Split Proposal or the Adjournment Proposal, you must give your broker or nominee specific instructions to do so.

The following table summarizes the vote threshold required for approval of each proposal and the effect on the outcome of the vote of abstentions and broker non-votes:

INFORMATION ABOUT THE SPECIAL MEETING (CONTINUED)

Proposal Number	Summary Description	Vote Required for Approval	Effect of Abstentions	Effect of Broker Non-Votes
1	An amendment to our Amended and Restated Certificate of Incorporation to effect a reverse stock split of our outstanding shares of common stock by a ratio of any whole number between 1-for-2 and 1-for-25, at any time prior to December 19, 2022, with the exact ratio to be set within that range at the discretion of our Board of Directors, without further approval or authorization of our stockholders.	Majority of the voting power of the outstanding shares of our common stock and Preferred Stock entitled to vote on the proposal, voting together as a single class	Counted "against"	Shares may be voted by brokers in their discretion, and any non-votes will have the effect of a vote counted "against" the proposal.
2	The adjournment of the Special Meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are insufficient votes to adopt Proposal 1.	Majority of the votes represented by shares present in person or represented by proxy and entitled to vote thereon at the Special Meeting	Counted "against"	Shares may be voted by brokers in their discretion, and any non-votes will not have an effect on the outcome of this proposal.

Signed but unmarked proxy cards will be voted "for" each proposal.

How do I attend the Special Meeting?

The Special Meeting will be held on Thursday, September 8, 2022 at 8:30 a.m. Eastern Time. Due to ongoing concerns around the spread of COVID-19 in the United States and globally, the Special Meeting will be a virtual stockholder meeting through which you can listen to the meeting, submit questions and vote online. The Special Meeting can be accessed by visiting <http://www.virtualshareholdermeeting.com/TRVN2022SM> on September 8, 2022, using the 16-digit control number included on the proxy card mailed to you. We recommend that you log in a few minutes before the Special Meeting begins to ensure you are logged in when the meeting starts. Online check-in will begin at 8:15 a.m. Eastern Time.

Why is the Company seeking approval for the Reverse Stock Split?

The Board believes that effecting the Reverse Stock Split will increase the price of our common stock which would, among other things, help us to:

- Meet certain listing requirements of The Nasdaq Capital Market;
- Appeal to a broader range of investors to generate greater interest in the Company; and
- Improve perception of our common stock as an investment security.

How does the board of directors recommend that I vote?

Our board of directors unanimously recommends that you vote your shares:

- "FOR" approval of an amendment to the Company's Amended and Restated Certificate of Incorporation to effect a reverse stock split of our outstanding shares of common stock by a ratio of any whole number between 1-for-2 and 1-for-25, at any time prior to December 19, 2022, with the exact ratio to be set within that range at the discretion of the Board of Directors without further approval of the Company's stockholders; and
- "FOR" approval of the adjournment of the Special Meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are insufficient votes to adopt Proposal 1.

How do I vote if I own shares as a record holder?

If your name is registered on Trevena's stockholder records as the owner of shares, you are the "record holder." If you hold shares as a record holder on the record date, there are four ways that you can vote your shares.

- **Over the Internet (before the Special Meeting).** Vote at www.proxyvote.com. The Internet voting system is available 24 hours a day until 11:59 p.m. Eastern Time on Wednesday, September 7, 2022. Once you enter the Internet voting system, you can record and confirm (or change) your voting instructions. You will need your 16-digit control number to vote.
- **By telephone.** Use the telephone number shown on your proxy card, 1-800-690-6903. The telephone voting system is available 24 hours a day in the United States until 11:59 p.m. Eastern Time on Wednesday, September 7, 2022. Once you enter the telephone voting system, a series of prompts will tell you how to record and confirm (or change) your voting instructions.
- **By mail.** If you received a proxy card, mark your voting instructions on the card and sign, date and return it in the postage-paid envelope provided. If you received only a notice of Internet availability but want to vote by mail, the notice includes instructions on how to request a paper proxy card. For your mailed proxy card to be counted, we must receive it before 8:30 a.m. Eastern Time on Thursday, September 8, 2022.
- **Over the Internet (during the Special Meeting).** Attend, or have your personal representative with a valid legal proxy attend, the virtual Special Meeting by logging in to <http://www.virtualshareholdermeeting.com/TRVN2022SM> on Thursday, September 8, 2022, using the 16-digit control number included on the proxy card that was mailed to you.

Even if you plan to virtually attend the Special Meeting, we recommend that you also submit your proxy card or follow the voting directions described below, so that your vote will be counted if you later decide not to attend the Special Meeting.

How do I vote if my Trevena shares are held by a bank, broker or custodian?

If your shares are held by a bank, broker or other custodian (commonly referred to as shares held "in street name"), the holder of your shares will provide you with a copy of this Proxy Statement, a voting instruction form and directions on how to provide voting instructions. These directions may allow you to vote over the Internet or by telephone.

INFORMATION ABOUT THE SPECIAL MEETING (CONTINUED)

If you are a beneficial owner and want to ensure that all of the shares you beneficially own are voted for or against the Reverse Stock Split Proposal or the Adjournment Proposal, you must give your broker or nominee specific instructions to do so. See the discussion above for the impact in the event that you fail to instruct your broker to vote. **If you are a beneficial owner of shares registered in the name of your broker or other nominee, we strongly encourage you to provide voting instructions to the broker or nominee that holds your shares to ensure that your shares are voted in the manner in which you want them to be voted.**

If you hold shares in street name and want to vote over the internet during the Special Meeting, you will need to ask your bank, broker or custodian to provide you with a valid legal proxy. You will need the control number printed on your proxy card that accompanies this Proxy Statement in order to vote at the Special Meeting. Please note that if you request a legal proxy from your bank, broker or custodian, any previously executed proxy will be revoked and your vote will not be counted unless you vote over the Internet during the Special Meeting or appoint another valid legal proxy to vote on your behalf.

Can I change my vote?

Yes. If you are a record holder, you may:

- Enter new instructions by telephone or Internet voting before 11:59 p.m. Eastern Time on Wednesday, September 7, 2022;
- Send a new proxy card with a later date than the card submitted earlier. We must receive your new proxy card before 8:30 a.m. Eastern Time on Thursday, September 8, 2022;
- Write to the Corporate Secretary at the address listed on page [17]. Your letter should contain the name in which your shares are registered, the date of the proxy you wish to revoke or change, your new voting instructions, if applicable, and your signature. Your letter must be received by the Corporate Secretary before 8:30 a.m. Eastern Time on Thursday, September 8, 2022; or
- Vote over the internet during the Special Meeting (or have a personal representative with a valid proxy vote). Note that simply attending the Special Meeting without voting will not, by itself, revoke your proxy.

If you hold your shares in street name, you may:

- Submit new voting instructions in the manner and by the time limit provided by your bank, broker or other custodian; or
- Contact your bank, broker or other custodian to request a proxy to vote over the internet during the Special Meeting.

Who will count the votes? Is my vote confidential?

Trevena's Chief Financial Officer, Barry Shin, has been appointed Inspector of Election for the Special Meeting. The Inspector of Election will determine the number of shares outstanding, the shares represented at the Special Meeting, the existence of a quorum, and the validity of proxies and ballots, and will count all votes and ballots.

All votes are confidential. Your voting records will not be disclosed to us, except as required by law, in contested Board elections or certain other limited circumstances.

Can I ask questions at the Special Meeting?

If you would like to submit a question, you may do so by joining the virtual Special Meeting at <http://www.virtualshareholdermeeting.com/TRVN2022SM> and typing your question in the box in the Special Meeting portal.

INFORMATION ABOUT THE SPECIAL MEETING (CONTINUED)

If you encounter any difficulties accessing the virtual Special Meeting during the check-in or meeting time, please call the technical support number that will be posted on the Virtual Stockholder Meeting log in page. Technical support will be available starting at 8:00 a.m. Eastern Time on Thursday, September 8, 2022.

Who pays for the proxy solicitation and how will Trevena solicit votes?

We pay the cost of preparing our proxy materials and soliciting your vote. Proxies may be solicited on our behalf by our directors, officers, employees and agents, including, but not limited to, our proxy solicitor Alliance Advisors, LLC, by telephone, electronic or facsimile transmission or in person. We have retained Alliance Advisors, LLC to assist in the solicitation of proxies on behalf of the Board of Directors [for an estimated fee of \$10,000 plus call center costs and reimbursement of reasonable expenses]. We may choose to enlist the help of banks and brokerage houses in soliciting proxies from their customers and, in all cases, will reimburse them for their related out-of-pocket expenses. **IF YOU NEED ASSISTANCE WITH THE VOTING OF YOUR SHARES, YOU MAY CONTACT ALLIANCE ADVISORS TOLL-FREE AT (833) 501-4709.**

Where can I find the voting results of the Special Meeting?

We will publish the voting results of the Special Meeting on a Current Report on Form 8-K filed with the SEC. The Form 8-K will be available online at www.sec.gov within four business days following the end of our Special Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the Special Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

IMPORTANT INFORMATION IF YOU PLAN TO VIRTUALLY ATTEND THE SPECIAL MEETING

You must be able to show that you owned Trevena common stock on the record date, July 29., 2022, in order to gain admission to the Special Meeting.

When you log in to <http://www.virtualshareholdermeeting.com/TRVN2022SM>, you will be required to enter the 16-digit control number contained on your proxy card that evidences that you are a stockholder of record. ITEMS TO BE VOTED ON

PROPOSAL 1: An amendment to our Amended and Restated Certificate of Incorporation to effect a reverse stock split of our outstanding shares of common stock by a ratio of any whole number between 1-for-2 and 1-for-25, at any time prior to December 19, 2022, with the exact ratio to be set within that range at the discretion of our Board of Directors, without further approval or authorization of our stockholders.

Our amended and restated certificate of incorporation, as amended, currently authorizes the Company to issue a total of 205,000,000 shares of capital stock, consisting of 200,000,000 shares of Common Stock, and 5,000,000 shares of Preferred Stock. On July 27, 2022, subject to stockholder approval, our Board of Directors approved an amendment to our Restated Certificate to, at the discretion of the Board of Directors, effect the reverse stock split of our common stock at a ratio of 1-for-2 to 1-for-25, including any shares held by the Company as treasury shares, at any time prior to December 19, 2022, with the exact ratio within such range to be determined by our Board of Directors at its discretion without further approval or authorization of our stockholders and included in a public . The full text of the proposed amendment is attached to this Proxy Statement as **Appendix A**. The primary goal of the Reverse Stock Split is to increase the per share market price of our common stock to meet the minimum per share bid price requirements for continued listing on The Nasdaq Capital Market. We believe that a range of Reverse Stock Split ratios provides us with the most flexibility to achieve the desired results of the Reverse Stock Split. The Reverse Stock Split is not intended as, and will not have the effect of, a “going private transaction” covered by Rule 13e-3 promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The Reverse Stock Split is not intended to modify the rights of existing stockholders in any material respect.

The exact timing of the filing of the certificate of amendment (the “Certificate of Amendment”) and implementation of the Reverse Stock Split will be determined by the Board of Directors based on its evaluation as to when such action will be the most advantageous to our Company and our stockholders, but must be implemented before December 19, 2022. In addition, the Board of Directors reserves the right, notwithstanding stockholder approval and without further action by the stockholders, to abandon the Reverse Stock Split if, at any time prior to the effectiveness of the filing of the amendment with the Secretary of State of the State of Delaware, the Board of Directors, in its sole discretion, determines that it is no longer in the Company’s best interest and the best interests of our stockholders to proceed in light of, among other things, our ability to increase the trading price of our common stock to meet the minimum stock price standards of The Nasdaq Capital Market without effecting the Reverse Stock Split, the per share price of the common stock immediately prior to the Reverse Stock Split and the expected stability of the per share price of the common stock following the Reverse Stock Split. If the Board of Directors determines that it is in the best interests of the Company and its stockholders to effect the Reverse Stock Split, it will hold a Board of Directors meeting to determine the ratio of the Reverse Stock Split. For additional information concerning the factors the Board of Directors will consider in deciding whether to effect the Reverse Stock Split, see “Determination of the Reverse Stock Split Ratio” and “Board Discretion to Effect the Reverse Stock Split” below.

The Reverse Stock Split will be realized simultaneously for all outstanding common stock. The Reverse Stock Split will affect all holders of common stock uniformly and each stockholder will hold the same percentage of common stock outstanding immediately following the Reverse Stock Split as that stockholder held immediately prior to the Reverse Stock Split, except for immaterial adjustments that may result from the treatment of fractional shares as described below. The Reverse Stock Split will not change the par value or the number of authorized shares of our common stock or Preferred Stock, but it will reduce the number of outstanding shares of common stock and Preferred Stock. The Reverse Stock Split will also affect outstanding equity awards and warrants, as described in “Principal Effects of the Reverse Stock Split” below.

Approval of this Proposal 1 requires “FOR” votes, cast either in person or by proxy, of a majority of the combined voting power of the shares of our common stock, Series A Convertible Preferred Stock and Series B Convertible Preferred Stock outstanding as of the record date, voting together as a single class, present in person or represented by proxy and entitled to vote on the proposal. Abstentions will have the same effect as an “against” vote on this proposal. As noted above, we believe that this proposal will be considered a “routine” matter and, as a result, we do not expect there to be any broker non-votes on this proposal. If, however, a broker non-vote occurs (or if your shares are not affirmatively voted in favor of this proposal for any other reason), it will have the same effect as an “against” vote on this proposal.

Reasons for the Reverse Stock Split

Our Board of Directors has approved and is soliciting stockholder approval of the Reverse Stock Split primarily in order to increase the trading price of our common stock to meet the minimum per share bid price requirement for continued listing on The Nasdaq Capital Market. We also believe effecting the Reverse Stock Split (i) will align our outstanding shares and share price more closely with companies of our size and scope, (ii) may have the effect of making our shares more attractive to institutional and individual investors by increasing the market price of our common stock; (iii) will result in a greater number of shares of common stock available for issuance by us; and (iv) will help us leverage strategic opportunities that will benefit the Company and our stockholders.

Meeting the Minimum Per Share Bid Price Requirement for Continuing Listing on The Nasdaq Capital Market

We believe that the Reverse Stock Split, if necessary, is our best option to meet the criteria to satisfy the minimum per share bid price requirement for continued listing on The Nasdaq Capital Market. The Nasdaq Capital Market requires, among other criteria, that the Company maintain a continued price of at least \$1.00 per share. On the record date, the last reported sale price of our common stock on The Nasdaq Capital Market was \$0.248 per share. On December 21, 2021, we received a deficiency letter from the Nasdaq Listing Qualifications Department of the Nasdaq Stock Market LLC (“Nasdaq”), notifying us that, for the last 30 consecutive business days, the closing bid price for our common stock was below the minimum \$1.00 per share required for continued listing on the Nasdaq Capital Market pursuant to Nasdaq Listing Rule 5550(a)(2) (“Rule 5550(a)(2)”). In accordance with Nasdaq Listing Rule 5810(c)(3)(A), we were given 180 calendar days, or until June 20, 2022 (“Compliance Date”), to regain compliance with Rule 5550(a)(2). On June 20, 2022, we applied for an extension of the Compliance Date, as permitted under the original notification. In the application, we indicated that we met the continued listing requirement for market value of publicly-held shares and all other initial listing standards for the Nasdaq Capital Market, with the exception of the minimum closing bid price, and provided written notice of our intention to cure the deficiency during the second compliance period of an additional 180 days by effecting a reverse stock split, if necessary. On June 21, 2022, we received notification from Nasdaq that the date to achieve compliance has been extended an additional 180 days until December 19, 2022 (the “Second Compliance Date”). As of the date of this Proxy, we were not in compliance with Rule 5550(a)(2). If we do not regain compliance with Rule 5550(a)(2) by the Second Compliance Date and are not eligible for an additional compliance period at that time, the Nasdaq staff will provide written notification to us that our common stock will be subject to delisting. A decrease in the number of outstanding shares of our common stock resulting from the Reverse Stock Split should, absent other factors, assist in ensuring that the per share market price of our common stock remains above the requisite price for continued listing. However, we cannot provide any assurance that our minimum bid price would remain over the minimum bid price requirement of The Nasdaq Capital Market following the Reverse Stock Split.

Impact on Number of Shares Available for Issuance

The Reverse Stock Split will have no effect on our authorized capital stock, and the total number of authorized shares will remain at 205,000,000 shares, consisting of 200,000,000 shares of common stock and 5,000,000 shares of preferred stock.

PROPOSAL 1: APPROVAL OF A REVERSE STOCK SPLIT (CONTINUED)

By reducing the number of shares outstanding without reducing the number of shares of available but unissued common stock, the Reverse Stock Split will increase the number of authorized but unissued shares. The Board of Directors believes that an increase in the number of shares available for issuance is necessary because, at the current level of authorized shares of common stock, we are limited in our abilities to move the company forward in key strategic areas. In addition to the 165,681,085 million shares of common stock outstanding as of July 29, 2022, the Board has reserved 30,781,586 million shares for issuance upon exercise of outstanding options and warrants, vesting of outstanding restricted stock units, and under our equity incentive, inducement and employee stock purchase plans. Without implementing the Reverse Stock Split Proposal set forth in this Proxy Statement, this leaves 3,537,329 million shares of our authorized common stock available for future issuance.

The Board of Directors does not believe that the number of shares remaining available for issuance by the Company provides for adequate flexibility in financial planning and in pursuing key corporate objectives. The number of available shares of common stock following implementation of the Reverse Stock Split will provide additional flexibility to use our capital stock for business and financial purposes in the future. The additional shares may be used for various purposes without further stockholder approval. These purposes may include raising capital; establishing strategic relationships with other companies; expanding our business or product lines through the acquisition of other businesses or products; and other general corporate purposes.

Principal Effects of the Reverse Stock Split

If the Reverse Stock Split is effected, it will reduce the total number of issued and outstanding shares of common stock, including any shares held by the Company as treasury shares, by a Reverse Stock Split ratio of 1-for-2 to 1-for-25. Accordingly, each of our stockholders will own fewer shares of common stock as a result of the Reverse Stock Split. However, as explained above, the Reverse Stock Split will be effected simultaneously for all issued and outstanding shares of common stock and reverse split ratio will be the same for all issued and outstanding shares of common stock. The Reverse Stock Split will affect all of our stockholders uniformly and will not affect any stockholder's percentage ownership interests in the Company, except to the extent that the Reverse Stock Split results in any of our stockholders receiving a cash payment in lieu of owning a fractional share, as described in the section titled "Fractional Shares" below. Common stock issued pursuant to the Reverse Stock Split will remain fully paid and non-assessable. The Reverse Stock Split will not affect the Company's continuing obligations under the periodic reporting requirements of the Exchange Act. Following the Reverse Stock Split, our common stock will continue to be listed on The Nasdaq Capital Market, under the symbol "TRVN," although it would receive a new CUSIP number.

Although the Reverse Stock Split would not have any dilutive effect on our stockholders, the Reverse Stock Split without a reduction in the number of shares authorized for issuance would reduce the proportion of shares owned by our stockholders relative to the number of shares authorized for issuance, giving the Board of Directors an effective increase in the authorized shares available for issuance, in its discretion. The shares that are authorized but unissued after the Reverse Stock Split will be available for issuance, and, if we issue these shares, the ownership interest of holders of our common stock may be diluted. We may issue such shares to raise capital and/or as consideration in acquiring other businesses or establishing strategic relationships with other companies. Such acquisitions or strategic relationships may be effected using shares of common stock or other securities convertible into common stock and/or by using capital that may need to be raised by selling such securities. We do not have any agreement, arrangement or understanding at this time with respect to any specific transaction or acquisition for which the newly unissued authorized shares would be issued.

With respect to our outstanding options, restricted stock units and warrants, when the Reverse Stock Split becomes effective, the number of shares of common stock covered by such rights will be reduced based on the reverse split ratio, and, if applicable, the exercise or conversion price per share will be proportionately increased based on the reverse split ratio, resulting in the same aggregate price being required to be paid therefor upon exercise or conversion thereof as was required immediately preceding the Reverse Stock Split. The number of shares of common stock issuable upon exercise or conversion of outstanding stock options, warrants and restricted stock awards will be rounded down to the nearest whole share and the exercise prices will be rounded up to the nearest cent, and no cash payment will be made in respect of such rounding. In addition, the number of shares of common stock reserved under the Company's equity incentive plan and employee stock purchase plan will automatically be proportionately adjusted for the reverse stock split ratio, such that fewer shares will be subject to such plans.

PROPOSAL 1: APPROVAL OF A REVERSE STOCK SPLIT(CONTINUED)

The following table contains approximate information, based on share information as of July 29, 2022, relating to our outstanding common stock based on the minimum and maximum reverse split ratio of 1-for-2 and 1-for-25, respectively, which is the ratio range that our stockholders are being asked to approve. The table sets forth (i) the number of shares of our common stock that would be issued and outstanding, (ii) the number of shares of our common stock that would be reserved for issuance pursuant to outstanding options, restricted stock units and warrants and (iii) the weighted-average exercise price of outstanding options and warrants, each giving effect to the Reverse Stock Split and based on securities outstanding as of July 29, 2022.

	Before Reverse Stock Split	After Reverse Stock Split (1) If Minimum 1:2 Ratio is Selected	If Maximum 1:25 Ratio is Selected
Authorized Common Stock	200,000,000	200,000,000	200,000,000
Common Stock Issued and Outstanding, as of the Record Date	165,681,085	86,840,543	6,947,243
Common Stock Reserved for Issuance (2)	30,781,586	11,390,793	911,263

Weighted-Average Exercise Price of Options	\$2.546	\$5.09	\$63.65
Weighted-Average Exercise Price of Warrants	\$0.531	\$1.06	\$13.26

(1) Does not take into account that fractional shares resulting from the Reverse Split will not be issued and instead, stockholders will receive an amount equal to the fair market value of such fractional shares at the time of the Reverse Stock Split.

(2) Includes shares of common stock reserved for issuance (i) upon the exercise of currently exercisable warrants and options; (ii) pursuant to awards granted under the Company's 2013 Equity Incentive Plan, as amended and the Trevena, Inc. Inducement Plan; and (iii) upon the conversion of Series A Convertible Preferred Stock and Series B Convertible Preferred Stock.

Background on our Series A Convertible Preferred Stock and Series B Convertible Preferred Stock

On July 29, 2022, we closed a preferred stock financing, in which we issued an aggregate of 2,000 shares of Preferred Stock (split 1,800 shares of Series A Convertible Preferred and 200 shares Series B Convertible Preferred Stock). The shares of Preferred Stock have a stated value of \$1,000 per share and are convertible, following the issuance date, into an aggregate of 7,200,000 shares of common stock upon the conversion of the Series A Convertible Preferred Stock and into an aggregate of 800,000 shares of common stock upon the conversion of the Series B Convertible Preferred Stock. The terms of the Series A Convertible Preferred Stock are set forth in a Certificate of Designation of Preferences, Rights and Limitations of Series A Convertible Preferred Stock (the "Series A Certificate of Designation"), and the terms of the Series B Convertible Preferred Stock are set forth in a Certificate of Designation of Preferences, Rights and Limitations of Series B Convertible Preferred Stock (the "Series B Certificate of Designation" and together with the Series A Certificate of Designation, the "Certificates of Designation"), each filed with the State of Delaware and were made effective on July 29, 2022.

The shares of Preferred Stock do not have any voting rights except with respect to Proposal 1, the Reverse Stock Split, presented at this Special Meeting and at any adjournments or postponements thereof, or on any proposal to adjourn the Special Meeting, including the Adjournment Proposal, or otherwise as required by law or as set forth in the Certificates of Designation.

Each holder of record of our Series A Convertible Preferred Stock is entitled to one vote per share on an as-converted basis, or an aggregate of 6,845,400 votes, calculated for only this instance by using a conversion price of \$0.263 per share, which is the Minimum Price as defined in Nasdaq Listing Rule 5635(d) immediately preceding the execution and delivery of the Securities Purchase Agreement, dated July 28, 2022, pursuant to which the Company issued the Series A Convertible Preferred Stock.

Each holder of record of our Series B Convertible Preferred Stock is entitled to 25,000,000 votes per share of Series B Convertible Preferred Stock, or an aggregate of 5,000,000,000 votes; provided, that, such votes must be counted by the Company in the same proportion as the aggregate shares of common stock and Series A Convertible Preferred Stock voted on the Reverse Stock Split Proposal or any adjournment proposal at the Special Meeting. As an example, if the holders of 60.0% of the outstanding common stock and Series A Convertible Preferred Stock voted at the meeting are voted in favor of the Reverse Stock Split Proposal, the Company can count 60.0% of the votes cast by the holders of the Series B Convertible Preferred Stock as votes in favor of the Reverse Stock Split Proposal.

We determined to provide the investors who purchased the Preferred Stock with these negotiated terms, in order to provide necessary financing to the Company to fund its operations and to secure sufficient investors who are committed to voting for the Reverse Stock Split Proposal presented at this Special Meeting. The shares of Preferred Stock are outstanding as of the record date for this Special Meeting.

Risks Associated with the Reverse Stock Split

We cannot predict whether the Reverse Stock Split will increase the market price for our common stock. Additionally, the market price of our common stock will also be based on our performance and other factors, some of which are unrelated to the number of shares outstanding. Further, there are a number of risks associated with the Reverse Stock Split, including:

- As noted above, the principal purpose of the Reverse Stock Split is to increase the trading price of our common stock to meet the minimum stock price standards of The Nasdaq Capital Market. However, the Reverse Stock Split could be viewed negatively by the market and other factors, such as those described above, may adversely affect the market price of the shares of our common stock. Consequently, the market price per post-Reverse Stock Split shares may not increase in proportion to the reduction of the number of shares of our common stock outstanding before the implementation of the Reverse Stock Split. Accordingly, the total market capitalization of our shares of common stock after the Reverse Stock Split may be lower than the total market capitalization before the Reverse Stock Split. Any reduction in total market capitalization as the result of the Reverse Stock Split may make it more difficult for us to meet the Nasdaq Listing Rule regarding minimum value of listed securities, which could result in our shares of common stock being delisted from The Nasdaq Capital Market.¹
- Although the Board believes that a higher stock price may help generate the interest of new investors, the Reverse Stock Split may not result in a per-share price that will successfully attract certain types of investors and such resulting share price may not satisfy the investing guidelines of institutional investors or investment funds. Further, other factors, such as our financial results, market conditions and the market perception of our business, may adversely affect the interest of new investors in the shares of our common stock. As a result, the trading liquidity of the shares of our common stock may not improve as a result of the Reverse Stock Split and there can be no assurance that the Reverse Stock Split, if completed, will result in the intended benefits described above.
- A Reverse Stock Split may result in some stockholder owning “odd lots” of less than 100 shares of common stock on a post-split basis. These odd lots may be more difficult to sell, or require greater transaction costs per share to sell, than shares in “round lots” of even multiples of 100 shares.
- There can be no assurance that the market price of our common stock will not decrease in the future.

Determination of the Reverse Stock Split Ratio

The Board of Directors believes that stockholder approval of a range of potential Reverse Stock Split ratios is in the best interests of our Company and stockholders because it is not possible to predict market conditions at the time the Reverse Stock Split would be implemented. We believe that a range of Reverse Stock Split ratios provides us with the most flexibility to achieve the desired results of the Reverse Stock Split. The Reverse Stock Split ratio to be selected by our Board of Directors will be not more than 1-for-25.

The selection of the specific Reverse Stock Split ratio will be based on several factors, including, among other things:

- our ability to maintain the listing of our common stock on The Nasdaq Capital Market;
- the per share price of our common stock immediately prior to the Reverse Stock Split;
- the expected stability of the per share price of our common stock following the Reverse Stock Split;
- the likelihood that the Reverse Stock Split will result in increased marketability and liquidity of our common stock;
- prevailing market conditions;
- general economic conditions in our industry; and
- our market capitalization before and after the Reverse Stock Split.

Board Discretion to Effect the Reverse Stock Split

If the Reverse Stock Split Proposal is approved by our stockholders, the Reverse Stock Split will only be effected upon a determination by the Board of Directors, in its sole discretion, that filing the Certificate of Amendment to effect the Reverse Stock Split is in the best interests of our Company and

stockholders. This determination by the Board of Directors will be based upon a variety of factors, including those discussed under “— Determination of the Reverse Stock Split Ratio” above. We expect that the primary focus of the Board of Directors in determining whether or not to file the Certificate of Amendment will be whether we will be able to obtain and maintain a continued price of at least \$1.00 per share of our common stock on The Nasdaq Capital Market without effecting the Reverse Stock Split.

Procedure for Effecting Reverse Stock Split and Exchange of Stock Certificates

If the Reverse Stock Split is approved by the Company’s stockholders, the Reverse Stock Split will become effective upon the filing of a Certificate of Amendment with the office of the Secretary of State of the State of Delaware or at the effective time set forth in the Reverse Stock Split Certificate of Amendment. The Board of Directors will determine the exact timing of the filing of the Certificate of Amendment based on its evaluation as to when the filing would be the most advantageous to the Company and its stockholders. However, notwithstanding approval of the Reverse Stock Split Proposal by our stockholders, the Board of Directors will have the sole authority to elect whether or not and when to file the Certificate of Amendment to effect the Reverse Stock Split; provided, however, the implementation of such amendment shall be before December 19, 2022.

Except as described below under the section titled “Fractional Shares,” if the Reverse Stock Split is approved and effected, beginning on the effective date of the Reverse Stock Split, each certificate which, immediately prior to the time of effectiveness represented pre-Reverse Stock Split shares, will be deemed for all corporate purposes to evidence ownership of post-Reverse Stock Split shares.

Fractional Shares

No fractional shares will be issued in connection with the Reverse Stock Split. Stockholders of record at the time of effectiveness of the Reverse Stock Split who otherwise would be entitled to receive fractional shares because they hold a number of pre-Reverse Stock Split shares not evenly divisible by the number of pre-Reverse Stock Split shares for which each post-Reverse Stock Split share is to be exchanged, will, in lieu of a fractional share, be entitled to a cash payment in lieu thereof. The cash payment will equal the fraction to which the stockholder would otherwise be entitled multiplied by the closing sales price of the common stock as reported on The Nasdaq Capital Market on the effective date of the Certificate of Amendment.

Stockholders should be aware that, under the escheat laws of the various jurisdictions where stockholders reside, sums due for fractional interests that are not timely claimed after the effective time may be required to be paid to the designated agent for each such jurisdiction. Thereafter, stockholders otherwise entitled to receive such funds may have to seek to obtain them directly from the state to which they were paid.

Book-Entry Shares

Upon completion of the Reverse Stock Split, stockholders who hold uncertificated shares (i.e., shares held in book-entry form and not represented by a physical stock certificate), either as direct or beneficial owners, will have their holdings electronically adjusted automatically by our transfer agent (and, for beneficial owners, by their brokers or banks that hold in "street name" for their benefit, as the case may be) to give effect to the Reverse Stock Split. Stockholders who hold uncertificated shares as direct owners will be sent a statement of holding from our transfer agent that indicates the number of post-Reverse Stock Split shares of our common stock owned in book-entry form.

Certificated Shares

As soon as practicable after the implementation of the Reverse Stock Split, stockholders will be notified that the Reverse Stock Split has been effectuated. We expect that our transfer agent will act as exchange agent for purposes of implementing the exchange of stock certificates. Holders of pre-Reverse Stock Split shares will be asked to surrender to the exchange agent certificates representing pre-Reverse Stock Split shares in exchange for certificates representing post-Reverse Stock Split shares in accordance with the procedures to be set forth in a letter of transmittal to be sent by us or our exchange agent. No new certificates will be issued to a stockholder until such stockholder has surrendered such stockholder's outstanding certificate(s) together with the properly completed and executed letter of transmittal to the exchange agent. Any pre-Reverse Stock Split shares submitted for transfer, whether pursuant to a sale or other disposition, or otherwise, will automatically be exchanged for post-Reverse Stock Split shares.

STOCKHOLDERS SHOULD NOT DESTROY ANY STOCK CERTIFICATE(S) AND SHOULD NOT SUBMIT ANY CERTIFICATE(S) UNTIL REQUESTED TO DO SO.

Accounting Matters

The Reverse Stock Split will not affect the common stock capital account on our balance sheet. However, because the par value of our common stock will remain unchanged at the effective time of the split, the components that make up the common stock capital account will change by offsetting amounts. The stated capital component will be reduced proportionately based upon the Reverse Stock Split and the additional paid-in capital component will be increased with the amount by which the stated capital is reduced. Immediately after the Reverse Stock Split, the per share net income or loss and net book value of our common stock will be increased because there will be fewer shares of common stock outstanding. All historic share and per share amounts in our financial statements and related footnotes will be adjusted accordingly for the Reverse Stock Split.

Effect on Preferred Stock

The proposed amendment to our Restated Certificate to effect the Reverse Stock Split would not impact the total authorized number of shares of preferred stock or the par value thereof.

Effect on Par Value

The proposed amendment to our Amended and Restated Certificate of Incorporation will not affect the par value of our common stock, which will remain at \$0.001 per share.

No Going Private Transaction

Notwithstanding the decrease in the number of outstanding shares following the proposed Reverse Stock Split, our Board does not intend for this transaction to be the first step in a "going private transaction" within the meaning of Rule 13e-3 of the Exchange Act.

Potential Anti-Takeover Effect

Although the increased proportion of unissued authorized shares to issued shares could, under certain circumstances, have an anti-takeover effect, the Reverse Stock Split proposal is not being proposed in response to any effort of which we are aware to accumulate shares of our common stock or obtain control of the Company, nor is it part of a plan by management to recommend a series of similar amendments to the Board of Directors and stockholders. Other than the Reverse Stock Split proposal, the Board of Directors does not currently contemplate recommending the adoption of any other actions that could be construed to affect the ability of third parties to take over or change control of the Company.

No Dissenters' Appraisal Rights

Under the Delaware General Corporation Law, our stockholders are not entitled to dissenters' appraisal rights with respect to the Reverse Stock Split, and the Company will not independently provide stockholders with any such right.

Certain Material United States Federal Income Tax Consequences of the Reverse Stock Split to U.S. Holders

The following discussion is a general summary of certain U.S. federal income tax consequences of the Reverse Stock Split that may be relevant to holders of our common stock that hold such stock as a capital asset for U.S. federal income tax purposes. This summary is based upon the provisions of the Internal Revenue Code of 1986, as amended (the "Code"), Treasury regulations promulgated thereunder, administrative rulings and judicial decisions as of the date hereof, all of which may change, possibly with retroactive effect, resulting in U.S. federal income tax consequences that may differ from those discussed below.

This discussion applies only to holders that are U.S. Holders (as defined below) and does not address all aspects of federal income taxation that may be relevant to such holders in light of their particular circumstances or to holders that may be subject to special tax rules, including: (i) holders subject to the alternative minimum tax; (ii) banks, insurance companies, or other financial institutions; (iii) tax-exempt organizations; (iv) dealers in securities or commodities; (v) regulated investment companies or real estate investment trusts; (vi) partnerships (or other flow-through entities for U.S. federal income tax purposes and their partners or members); (vii) traders in securities that elect to use a mark-to-market method of accounting for their securities holdings; (viii) U.S. Holders whose "functional currency" is not the U.S. dollar; (ix) persons holding our common stock as a position in a hedging transaction, "straddle," "conversion transaction" or other risk reduction transaction; (x) persons who acquire shares of our common stock in connection with employment or other performance of services; or (xi) U.S. expatriates. This summary does not address backup withholding and information reporting and does not address U.S. holders who beneficially own common stock through a "foreign financial institution" (as defined in Code Section 1471(d)(4)) or certain other non-U.S. entities specified in Code Section 1472. The following summary does not address any U.S. state or local or any foreign tax consequences, any estate, gift or other non-U.S. federal income tax consequences, or the Medicare tax on net investment income. If a partnership (including any entity or arrangement treated as a partnership for U.S. federal income tax purposes) holds shares of our common stock, the tax treatment of a holder that is a partner in the partnership generally will depend upon the status of the partner and the activities of the partnership.

We have not sought, and will not seek, an opinion of counsel or a ruling from the Internal Revenue Service ("IRS") regarding the U.S. federal income tax consequences of the Reverse Stock Split and there can be no assurance that the IRS will not challenge the statements and conclusions set forth below or a court would not sustain any such challenge.

EACH HOLDER OF COMMON STOCK SHOULD CONSULT SUCH HOLDER'S TAX ADVISOR WITH RESPECT TO THE PARTICULAR TAX CONSEQUENCES OF THE REVERSE STOCK SPLIT TO SUCH HOLDER.

PROPOSAL 1: APPROVAL OF A REVERSE STOCK SPLIT (CONTINUED)

For purposes of the discussion below, a "U.S. Holder" is a beneficial owner of shares of our common stock that for U.S. federal income tax purposes is: (1) an individual citizen or resident of the United States; (2) a corporation (including any entity taxable as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state or political subdivision thereof; (3) an estate the income of which is subject to U.S. federal income taxation regardless of its source; or (4) a trust, if (i) a court within the United States is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust, or (ii) the trust has a valid election in effect to be treated as a U.S. person.

PROPOSAL 1: APPROVAL OF A REVERSE STOCK SPLIT (CONTINUED)

The Reverse Stock Split is intended to qualify as a "reorganization" under Section 368 of the Code and is intended to be treated as a "recapitalization" for U.S. federal income tax purposes. Assuming the Reverse Stock Split qualifies as a reorganization, a U.S. Holder generally should not recognize gain or loss upon the Reverse Stock Split, except with respect to cash received in lieu of a fractional share of our common stock, as discussed below. A U.S. Holder's aggregate tax basis in the shares of our common stock received pursuant to the Reverse Stock Split should equal the aggregate tax basis of the shares of our common stock surrendered (excluding any portion of such basis that is allocated to any fractional share of our common stock), and such U.S. Holder's holding period in the shares of our common stock received should include the holding period in the shares of our common stock surrendered. Treasury regulations promulgated under the Code provide detailed rules for allocating the tax basis and holding period of the shares of our common stock surrendered to the shares of our common stock received pursuant to the Reverse Stock Split. Holders of shares of our common stock acquired on different dates and at different prices should consult their tax advisors regarding the allocation of the tax basis and holding period of such shares.

A U.S. Holder that receives cash in lieu of a fractional share of our common stock pursuant to the Reverse Stock Split should recognize capital gain or loss in an amount equal to the difference between the amount of cash received and the U.S. Holder's tax basis in the shares of our common stock surrendered that is allocated to such fractional share. Such capital gain or loss should be long term capital gain or loss if the U.S. Holder's holding period for our common stock surrendered exceeded one year at the time of effectiveness of the Reverse Stock Split.

Interests of Directors and Executive Officers

Our directors and executive officers have no substantial interests, directly or indirectly, in the matters set forth in this proposal except to the extent of their ownership of shares of our common stock.

Reservation of Right to Abandon Reverse Stock Split

We reserve the right to not file the Certificate of Amendment and to abandon any Reverse Stock Split without further action by our stockholders at any time before the effectiveness of the filing with the Secretary of the State of Delaware of the Certificate of Amendment, even if the authority to effect these amendments is approved by our stockholders at the Special Meeting. By voting in favor of the Reverse Stock Split, you are expressly also authorizing the Board to delay, not proceed with, and abandon, the Reverse Stock Split and the Certificate of Amendment if it should so decide, in its sole discretion, that such actions are in the best interests of our stockholders.

Vote Required

The affirmative vote of the holders of a majority of the voting power of the outstanding shares of our common stock and Preferred Stock entitled to vote on the proposal, voting together as a single class, either in person or by proxy is required to approve the Reverse Stock Split Proposal. Abstentions and broker non-votes, if any, will count as votes AGAINST the Reverse Stock Split.

The Board of Directors unanimously recommends that stockholders vote FOR the approval of an amendment to our Amended and Restated Certificate of Incorporation to effect a reverse stock split of our outstanding shares of common stock by a ratio of any whole number between 1-for-2 and 1-for-25, at any time prior to December 19, 2022, with the exact ratio to be set within that range at the discretion of our Board of Directors, without further approval or authorization of our stockholders.

PROPOSAL 2: APPROVAL OF ADJOURNMENT OF THE SPECIAL MEETING (IF NECESSARY OR APPROPRIATE)

If at the Special Meeting, the number of votes represented by shares of the common stock, Series A Convertible Preferred Stock and Series B Convertible Preferred Stock present or represented and voting in favor of Proposal 1 is insufficient to approve the proposal or establish a quorum, our management may move to adjourn the Special Meeting in order to enable our board of directors to continue to solicit additional proxies in favor of Proposal 1.

In this proposal, we are asking our stockholders to authorize the holder of any proxy solicited by our board of directors to vote in favor of adjourning, postponing or continuing the Special Meeting and any later adjournments. If our stockholders approve the adjournment, postponement or continuation proposal, we could adjourn, postpone or continue the Special Meeting, and any adjourned session of the Special Meeting, to use the additional time to solicit additional proxies in favor of Proposal 1, including the solicitation of proxies from stockholders that have previously voted against the proposals. Among other things, approval of the adjournment, postponement or continuation proposal could mean that, even if proxies representing a sufficient number of votes against Proposal 1 have been received, we could adjourn, postpone or continue the Special Meeting without a vote on Proposal 1 and seek to convince the holders of those shares to change their votes to votes in favor of the approval of Proposal 1.

Vote Required

The affirmative vote of the majority of votes represented by shares present in person or represented by proxy and entitled to vote thereon at the Special Meeting is required to approve the adjournment of the Special Meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are insufficient votes to adopt Proposal 1. Abstentions will be the equivalent of votes against this proposal and broker non-votes will not have an effect on the outcome of this proposal

The Board of Directors unanimously recommends that stockholders vote FOR the approval of the adjournment of the Special Meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are insufficient votes to adopt Proposal 1.

OWNERSHIP OF TREVENA COMMON STOCK

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS, DIRECTORS AND EXECUTIVE OFFICERS

The following table provides information as of July 29, 2022 about the amount of Trevena common stock beneficially owned by (1) all those known by us to be beneficial owners of more than five percent of our common stock; (2) each of our directors; (3) each named executive officer; and (4) all of the directors and executive officers of the Company as of July 29, 2022, as a group. We are not aware of any beneficial owners of more than five percent of our common stock as of July 29, 2022.

"Beneficial ownership" includes those shares a director, nominee or executive officer has or shares the power to vote or transfer (even if another person is the record owner), and stock options that are exercisable as of July 29, 2022 or that become exercisable within 60 days of July 29, 2022. Shares of common stock subject to such options are deemed outstanding for calculating the Percent of Class of the person holding these options but are not deemed outstanding for any other person. The Percent of Class shown below is based on 165,681,085 shares outstanding on July 29, 2022.

Unless otherwise noted, the address for each director and executive officer is c/o Trevena, Inc., 955 Chesterbrook Boulevard, Suite 110, Chesterbrook, PA 19087.

2023 ANNUAL MEETING AND RELATED MATTERS

When do you expect to hold the 2023 annual meeting of stockholders?

We currently expect to hold the 2023 Annual Meeting in May 2023, at a time and location to be announced later.

How does a stockholder submit a proposal or nomination of a director candidate for the 2023 annual meeting?

The following summarizes the requirements for stockholder proposals to be considered for inclusion in next year's proxy materials.

- If you intend to submit a proposal to be included in next year's proxy materials pursuant to SEC Rule 14a-8, the Corporate Secretary must receive your proposal on or before January 9, 2023. Submitting a stockholder proposal does not guarantee that Trevena will include the proposal in the proxy statement if the proposal does not satisfy the SEC's rules.
- If you want to present your proposal at the 2023 annual meeting but are not proposing it pursuant to SEC Rule 14a-8, the Corporate Secretary must receive your proposal by the close of business between February 9, 2023 and March 11, 2023 and it must satisfy the requirements set forth in Article III, Section 5 of our Amended and Restated Bylaws.

If you would like to nominate a candidate for director at the 2023 annual meeting, you must notify the Corporate Secretary by the close of business between February 9, 2023 and March 11, 2023. The notice must include certain information specified in our Amended and Restated Bylaws, including (i) your name and address, (ii) the class and number of shares of our stock which you beneficially own, (iii) the name, age, business address and residence address of the person, (iv) the principal occupation or employment of the person, (v) the class and number of shares of our stock which are owned of record and beneficially owned by the person, (vi) the date or dates on which such shares were acquired and the investment intent of such acquisition and (vii) any other information concerning the person as would be required to be disclosed in a proxy statement soliciting proxies for the election of that person as a director in an election contest (even if an election contest is not involved), or that is otherwise required to be disclosed pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder (including the person's written consent to being named as a nominee and to serving as a director if elected). We may require any proposed nominee to furnish such other information as we may reasonably require to determine the eligibility of such proposed nominee to serve as an independent director of the Company or that could be material to a reasonable stockholder's understanding of the independence, or lack thereof, of such proposed nominee. Correspondence to the Corporate Secretary may be addressed to: Corporate Secretary, Trevena, Inc., 955 Chesterbrook Boulevard, Suite 110, Chesterbrook, PA 19087. For more information, and for more detailed requirements, please refer to our Amended and Restated Bylaws, filed as Exhibit 3.2 to our Current Report on Form 8-K, filed with the SEC on February 5, 2014.

In addition, to comply with the universal proxy rules (once effective), stockholders who intend to solicit proxies in support of director nominees other than our nominees must provide notice that sets forth the information required by Rule 14a-19 under the Securities Exchange Act of 1934 no later than April 10, 2023.

How can I communicate with the Board of Directors?

Stockholders and interested parties may contact the Board of Directors, the Chairman, the independent directors, or specific individual directors by sending written correspondence to the Board, Attention: Corporate Secretary, Trevena, Inc., 955 Chesterbrook Boulevard, Suite 110, Chesterbrook, PA 19087.

The Corporate Secretary will compile all communications other than routine commercial solicitations and opinion surveys sent to Board members and periodically submit them to the Board. Communications addressed to individual directors at the director address will be promptly submitted to such individual directors. The Corporate Secretary also will promptly advise the appropriate member of management of any concerns relating to Trevena's products or services, and the Corporate Secretary will notify the Board of the resolution of those concerns.

How do I obtain copies of Trevena's corporate governance and other company documents?

The Corporate Governance Guidelines, committee charters and Trevena's Code of Ethics are posted at www.trevena.com/investors/corporate-governance. In addition, these documents are available in print to any stockholder who submits a written request to the Corporate Secretary at the address listed above.

The Company's filings with the SEC, including its annual report on Form 10-K, are available through www.trevena.com/investors/financial-information/all-sec-filings.

If you are a stockholder and did not receive an individual copy of this year's proxy statement or annual report, we will promptly send a copy to you if you address a written request to Investor Relations, Trevena, Inc., 955 Chesterbrook Boulevard, Suite 110, Chesterbrook, PA 19087.

What is householding and how does it affect me?

If you and other residents at your mailing address own shares of Trevena stock in "street name," your broker or bank should have notified you that your household will receive only one proxy statement and annual report or notice of Internet availability of proxy materials, but each stockholder who resides at your address will receive a separate proxy card or voting instruction form. This practice is known as "householding." Unless you responded that you did not want to participate in householding, you were deemed to have consented to the process. Householding benefits both you and Trevena because it reduces the volume of duplicate information received at your household and helps Trevena reduce expenses and conserve natural resources.

If you would like to receive your own set of Trevena's proxy statement and annual report or, if applicable, your own notice of Internet availability of proxy materials now or in the future, or if you share an address with another Trevena stockholder and together both of you would like to receive only a single set of Trevena's proxy materials, please contact Broadridge, Household Department, 51 Mercedes Way, Edgewood, NY 11717 or (800) 542-1061. The request must be made by each person in the household. Be sure to indicate your name, the name of your brokerage firm or bank, and your account number. The revocation of your consent to householding will be effective 30 days following its receipt.

OF
AMENDED AND RESTATED CERTIFICATE OF INCORPORATION
OF
TREVENA, INC.

* * * * *

Trevena, Inc., a corporation organized and existing under and by virtue of the General Corporation Law of the State of Delaware, DOES HEREBY CERTIFY:

FIRST: The amended and restated Certificate of Incorporation, as amended on May 17, 2018 and as currently in effect, is hereby amended by deleting Article IV.A. and inserting the following in lieu thereof such that Article IV. A. shall read in its entirety as follows:

A. The Company is authorized to issue two classes of stock to be designated, respectively, "Common Stock" and "Preferred Stock." The total number of shares of all classes of capital stock which the Company shall have authority to issue is two hundred five million (205,000,000) shares, of which two hundred million (200,000,000) shares shall be Common Stock (the "Common Stock"), each having a par value of one-tenth of one cent (\$0.001), and five million (5,000,000) shares shall be Preferred Stock (the "Preferred Stock"), each having a par value of one-tenth of one cent (\$0.001). Effective at 4:05 p.m. Eastern Time, on [●], 2022 (the "Effective Time"), each [●] ([●]) shares of Common Stock issued and outstanding at such time shall, automatically and without any further action on the part of the Company or the holder thereof, be combined into one (1) validly issued, fully paid and non-assessable share of Common Stock, without effecting a change to the par value per share of Common Stock, subject to the treatment of fractional interests as described below (the "Reverse Stock Split"). The par value of the Common Stock following the Reverse Stock Split shall remain \$0.001 per share. No fractional shares shall be issued, in connection with the Reverse Stock Split, and, in lieu thereof, the Corporation shall pay each stockholder of record at the time of effectiveness of the Reverse Stock Split who otherwise would be entitled to receive fractional shares because they hold a number of pre-Reverse Stock Split shares not evenly divisible by the number of pre-Reverse Stock Split shares for which each post-Reverse Stock Split share is to be exchanged an amount in cash equal to the fraction to which the stockholder would otherwise be entitled multiplied by the closing sales price of our Common Stock as reported on The Nasdaq Capital Market on the date on which the Effective Time occurs. Each certificate that immediately prior to the Effective Time represented shares of Common Stock (an "Old Certificate") shall thereafter represent that number of shares of Common Stock into which the shares of Common Stock represented by the Old Certificate shall have been combined, subject to the elimination of fractional share interests as described above. The Reverse Split shall also apply to any outstanding securities or rights convertible into, or exchangeable or exercisable for, Common Stock and all references to such Common Stock in agreements, arrangements, documents and plans relating thereto or any option or right to purchase or acquire shares of Common Stock shall be deemed to be references to the Common Stock or options or rights to purchase or acquire shares of Common Stock, as the case may be, after giving effect to the Reverse Split.

SECOND: That said amendment was duly adopted and approved in accordance with the provisions of Section 242 of the General Corporation Law of the State of Delaware by the directors and stockholders of the corporation.

THIRD: This amendment shall become effective at 4:05 p.m., Eastern Time, on [●], 2022.
